

Animal Kingdom — Board Important

PU-I Biology • High-yield guide

Basis of Classification

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Body Symmetry, Germ Layers and Coelom

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Segmentation and Notochord

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Porifera

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Coelenterata (Cnidaria)

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Ctenophora

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Platyhelminthes

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Aschelminthes

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Annelida

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Arthropoda

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Mollusca

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Echinodermata

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Hemichordata

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Phylum Chordata — General Features and Subphyla

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Cyclostomata

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Chondrichthyes

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Osteichthyes

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Amphibia

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Reptilia

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Aves

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Class Mammalia

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.

Summary — Salient Features of Phyla

Focus on diagnostic features, examples, comparisons and labelled diagrams. Rehearse one 3-mark answer from this topic.
